Is my Kasasa account always free?

Yes. There's never a monthly maintenance fee on any Kasasa account, even if you keep a really low balance. Also, there's no minimum balance required to earn your rewards.

Monthly rewards and refunds on ATM withdrawal fees – how?

Yep! The simple things you do to earn your Kasasa rewards (we call them “qualifications”) actually help us save money every month. The rewards and refunds are our way of saying “thanks.”

What happens if I don't meet my qualifications?

You won't earn your rewards that month. But there's no penalty fee – you still have a free checking account, and you can get right back to earning your rewards the very next qualification cycle.

Why can't I get Kasasa at a megabank?

Because Kasasa is more than free checking and monthly rewards. It's a vote of confidence in your local community. So be proud, bank local, and get rewarded for it!
